OWNER'S MESSAGE

Last year we had our first Production Sale. The herd was large in number and needed reducing. We then thought somewhat remotely of a sale this year, but after another unseasonably dry summer we were faced with purchasing a substantial amount of feed to keep the herd in good condition. We decided it was advisable to make a substantial reduction.

Having on hand a very promising group of young cows and heifers, we chose to part with all cows over four years old, except a few old favorites.

There are only a few sales each year, and usually a great distance between them, where a group of foundation females may be purchased. Half of the cows have calves at side and have been with N W Rosewood Torment since December 1st, so chances are good that they will be bred back. The other half were pasture bred to start calving April 20th. Many of them are heavy with calf, carrying their own guarantee.

These cows have produced well for us; several have continuously raised top bulls that have sold well. They are all well bred and have a good background. Two of these cows are the dams of the club calves that won their classes at the local fair last summer.

We think that this year's crop of heifers are the best that we have ever raised, many of them will be selling in this sale. Several of these should make nice heifer projects or possible show prospects.

We are offering an excellent group of foundation females that could be useful to most anyone, especially those interested in starting a new herd, or just to replace those plain or older cows that soon will be going out of the picture.

INFORMATION

LOCATION—The sale will start at 1:00 p.m., Central Standard Time, on Saturday, March 23, 1968, and will be held at the Goodland Livestock Sales Commission Co., on Highway 24.

GOODLAND IS EASILY REACHED—Goodland is located at the Junction of US 24 - 27. Interstate 70 is now completed to within a few miles. Buyers from a distance will find good bus and plane service. Hotels and motels available without reservations at this season.

TERMS—The terms of the sale are cash.

HEALTH—All cattle will be T. B. and Bangs tested, and official calf-hood vaccination for Bangs disease has always been practiced. All cattle are guaranteed to comply with the health regulations of any state or country into which they may go.

LIABILITY—Each transaction in this sale will constitute a contract between the buyer and seller of each lot. The auctioneers, clerk and sale manager have been employed by the seller for specific tasks not connected with the handling of the cattle or the condition of the premises, and they accept no liability, legal or otherwise, for the buying contract or for any accident. Every effort will be provided for the safety of those attending this sale, but the seller cannot accept liability for injuries that may occur. All persons attend this sale at their own risk.

BIDS—Those wishing to buy, but cannot be present, may leave with or send their bids to the Sale Manager, Milton H. Nagely, Abilene, Kansas; Bill Stunkel, Shorthorn World, Fremont, Nebraska; or the Auctioneer, Fred Sherlock.

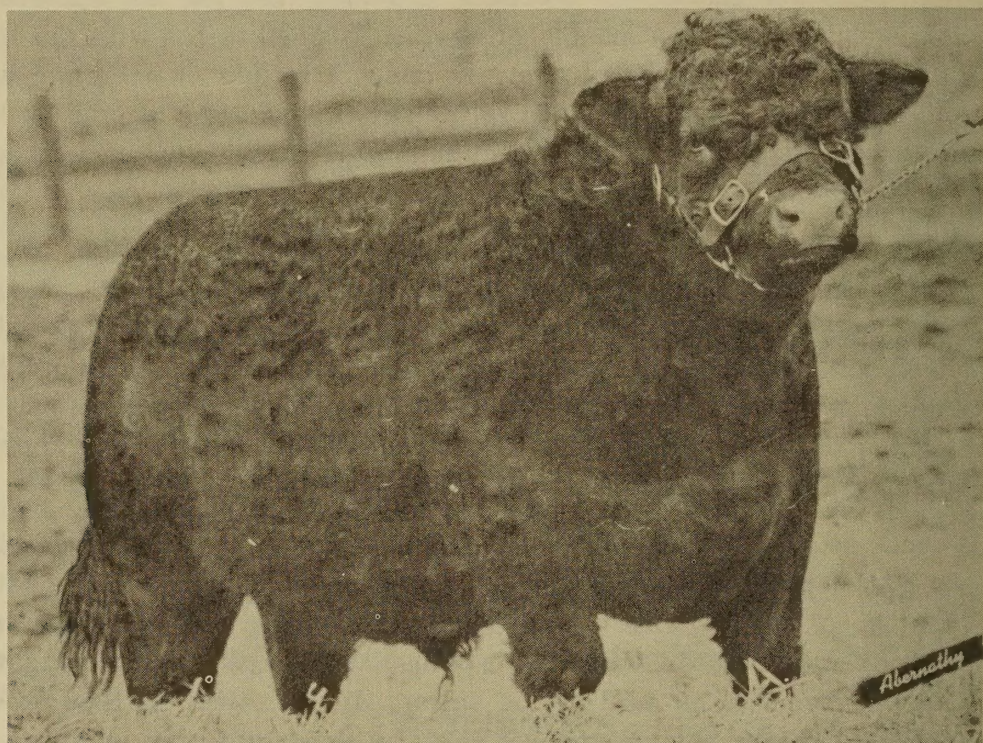

STANDARD GUARANTEE
(Recommended by American Shorthorn Association)

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

N W ROSEWOOD TORMENT—An imported in dam son of Glastullich Rosewood Robin, a grandson of Bapton Constructor. Torment's half brother Glastullich Cock Robin was Grand Champion at the 1964 National Western and Fort Worth shows. Torment's dam, Glastullich Annis and his paternal granddam, Glastullich Rosewood Ruth, are top favorites in the Fernwood herd. Torment is a strong breeding bull. His calves are so exceptional that we have used him more than any bull we have ever owned.
